

Fresco of the Digital

Collective workshop & pedagogue

What is it ?

Our **Digital Fresco** workshop is a fun workshop with an educational approach to make your teams aware of the environmental challenges of digital technology.

Your employees will be able to discuss and learn together to move forward in the creation of the fresco.

The Digital Fresco, a link builder, is a great tool for positive awareness!

10 to 100
participants

2h to 3h

On-site
